WATERSHIP DOWN

- THE BOOK -

A phenomenal worldwide bestseller for over forty years, first discovered by a US audience, *Watership Down* has gone on to sell more than 50 million copies worldwide. Set in the beautiful English countryside of Hampshire, a once idyllic rural landscape, this stirring tale of adventure, courage, and survival resonates as vividly today as it did nearly half a century ago.

- OVERVIEW -

Richard Adams' spellbinding classic *Watership Down* is one of the best-loved novels of all time. Beautifully reimaged by Tom Bidwell (*My Mad Fat Diary*) as a four-part, animated television event, we follow a ragtag band of rabbits fleeing the destruction of their warren in search of safety and a new home. Led by a stout-hearted pair of brothers, Hazel and Fiver, the gang set off on an epic journey filled with adventure and danger at every turn.

- SUMMARY -

A beautiful & evocative CG animation re-telling a classic storyline for a family audience (8+) Original soundtrack being developed by world-class composer and featuring special contributions from the British music industry's 'A list' talent.

Featuring an all star cast:

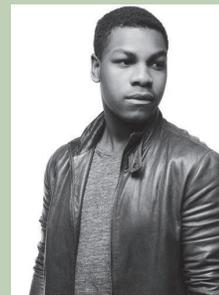

James McAvoy
as Hazel

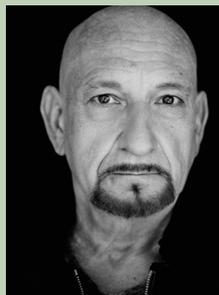

Nicholas Hoult

CLASSIC

UK PREMIERE 1965 2020 - 55TH ANNIVERSARY
32 X 50' EPISODES

Gerry and Sylvia Anderson's iconic Sci-Fi TV show blasted onto television screens in 1965, using a unique puppet system known as Supermarionation. Set in the year 2065 on a secret island base, known as Tracy Island, the series stars the Tracy family, their London agent Lady Penelope and teenage genius Brains, who together battle the forces of evil, as "International Rescue".

CAPTAIN SCARLET

AND THE MYSTERONS

UK PREMIERE 1967 2022 - 55TH ANNIVERSARY
32 X 30' EPISODES

Set in 2065, Earth's security organisation Spectrum spearheads an expedition to Mars led by Captains Scarlet and Black. The series follows their adventures as they encounter the local inhabitants, The Mysterons.

SPACE: 1999

UK PREMIERE 1975 2020 - 45TH ANNIVERSARY
48 X 50' EPISODES

A science-fiction television series set in the year 1999. Nuclear waste stored on the Moon's far side explodes, knocking the Moon out of orbit and sending it, as well as the 311 inhabitants of Moonbase Alpha, hurtling uncontrollably into space.

The series was the last production by the partnership of Gerry and Sylvia Anderson.

UK PREMIERE 1970 2020 - 50TH ANNIVERSARY
26 X 50' EPISODES

UFO was the Andersons' first totally live-action TV series primarily aimed at adults, not children!

Set in 1980 Earth is being visited and attacked by aliens from a dying planet. A secret, high technology international agency called SHADO (Supreme Headquarters, Alien Defence Organisation) is established to defend Earth and humanity against the mysterious aliens.

The Last Unicorn

THE LAST UNICORN

First released 1982
40th Anniversary in 2022
Running Time 84'

Based on the novel by Peter S. Beagle, *The Last Unicorn* is a cult animated musical film from the 1980s featuring a star-studded voice cast including Mia Farrow, Jeff Bridges, Angela Lansbury, and Christopher Lee. When a young unicorn (Mia Farrow) learns that she's in danger and that the villainous King Haggard (Christopher Lee) plots to destroy all the world's unicorns, she leaves the safety of her protected forest and enlists the help of Schmendrick (Alan Arkin), a gentle, albeit clumsy, sorcerer. Together, they embark on a long and dangerous journey with one goal: to defeat Haggard and save the unicorns from extinction.
